RAPTOR-GAMING LM3

Product

(Picture just for reference – original can be different)

The brand new ergonomic right-hand designed **RAPTOR-GAMING LM3** is the new addition to the world of gaming mice by Raptor Gaming Technology. It sets new standards in terms of price/performance.

The two mouse buttons are equipped with a special rubber coating. This secures the perfect grip and control. The resolution of the optical gaming mouse can be adjusted in four steps to 600, 1200, 1800 and 2400 dpi. The cable is extra long with 2.50 meter and comes with a gold plated USB connector. The extra large mouse wheel with its very fine raster gives you the total control of your weapons even in very fast and hectic combats.

The truly new „Thumb Rubber Grip“™ on the left side of the **RAPTOR-GAMING LM3**, keeps your thumb secured on the mouse even at hectic moves.
